Enrolment rush at Oxfordshire's most successful college

Abingdon and Witney College is once again receiving a high level of enquiries and interest in enrolments, as students across the county respond to GCSE and A Level results

The college is currently enrolling students on full and part-time courses, with many people seeking advice and guidance about how best to reach their career goals. The college has also seen an increase in the rise of applications for higher education courses such a foundation degrees, honours degrees, HNCs and professional courses, as more and more individuals are looking at studying closer to home.

Marija Murthwaite, Careers Adviser at the College, explains "We are still getting very high volumes of enquires and encourage all undecided students to call or drop in to get advice if they are still unsure about their options or their future. If you think A Levels might not be right for you, you might like to consider a full-time vocational course which is the equivalent of 3 A Levels, so you'll still be able get into university. Many people are also showing an interest in the university level courses we have on offer at the College as well as professional qualifications in accounting, leadership and management and human resource practice, which can help those looking for promotion."

Principal Teresa Kelly says "We are extremely proud that for the second year running, Abingdon and Witney College is in the top 10% of colleges nationally and officially Oxfordshire's most successful college. The Quality Assurance Agency for Higher Education (QAA) has commended the enhancement of student learning opportunities as exceeding UK expectations."

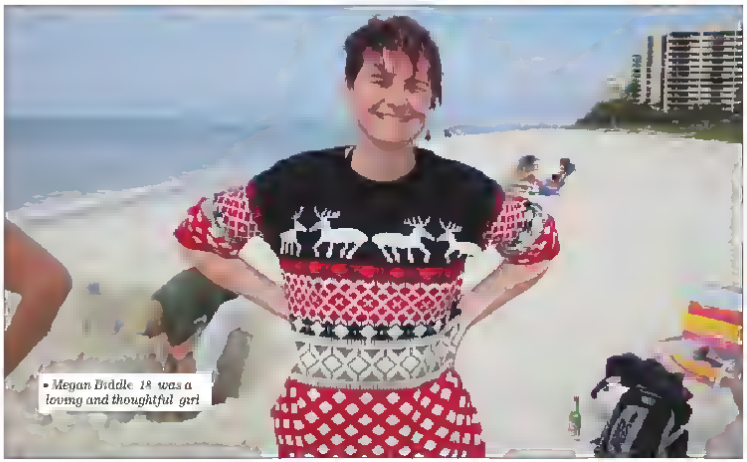
HEARTBREAK AFTER DAUGHTER'S DRUGS OVERDOSE DEATH



• Megan Biddle 18 was a loving and thoughtful girl

By Loughlan Campbell
loughlan@taylornewspapers.co.uk

THE mum of an 18-year old schoolgirl spoke yesterday of the heartbreak of losing her fun loving kind and thoughtful daughter to an accidental drug overdose.

Megan Biddle of Clarendon Drive, Thame was ruled by assistant coroner Nicholas Graham at Oxfordshire Coroner's Court in New Road yesterday to have died an accidental death after the teenager took 3 9 milligrams of propranolol a beta-blocker to combat a migraine on the morning of March 1.

She died at the John Radcliffe Hospital in Headington the next day at 4 30am after regaining consciousness to be with her family the previous afternoon before suffering a seizure.

The toxicology report compiled for the inquest by Dr Tim Burke stated that the cause of death was a drug overdose of propranolol.

Megan's mother Alison Biddle of Clarendon Drive Thame said "Megan was an energetic and lively teenager with everything to live for and her whole life ahead of her.

"She was a fun loving kind and thoughtful young lady She was always helping friends out, helping us at home and was involved in many local activities within the community.

"She showed no signs of depression and hadn't lost pleasure in life When she regained consciousness in the hospital she talked about how scared she felt realising how ill she had been and that she would never do it again."

Megan had suffered from migraines since the age of 11 and underwent many therapies such as acupuncture reflexology diet and exercise to combat it.

When she was 14 she was prescribed Pitzafen and Zomig however Megan had unpleasant side effects to Pitzotofen and was instead prescribed propranolol.

New police chief's online ambitions

THE new Local Police Area Commander for South Oxfordshire and the Vale has said that police forces in the area are looking to do their job more through an online format rather than the face-to-face reporting of old.

Acting Superintendent Jim O Ryan who took the role on an interim basis in April taking over from Chief Superintendent Andy Boyd, is looking to prioritise the force as a focal presence in communities and to be able to work on the move, using the technology that is available to them.

A/Supt O Ryan also hopes to carry out regular visits to the area's stations and have his face known to the communities that he serves.

He told the Guardian 'My role is to keep people safe and my priority in this role is make sure my team are really clear about what the police are all about and what our job is.

By Loughlan Campbell
loughlan@taylornewspapers.co.uk

"I want our neighbourhood teams to be in and out around the communities helping them solve problems and preventing crime.

"My style is to be very visible to the community and make sure people know who I am, what I'm there for and how we, the police can make their area a safer place to live in."

The new Commander says that the general trend for police forces is to move more police resources online.

He said, 'It's the general trend to move services online and we do a lot of work online for residents anyway.

"Policing can be delivered online a lot of the time. You couldn't get a crime number when contacting the police before now you get that and an officer to constantly update you.

New Local Police Area commander Jim O Ryan

"I check most of my emails on my smartphone and later this year we're going to have a further roll out of smart phones across the force so our staff will be better able to do their duties on the go."

A/Supt O Ryan began his policing career in Liverpool as a special constable before joining Thames Valley Police in 1991.

He has worked as an inspector in Thame and a deputy commander in Milton Keynes before taking up his new role.

A/Supt O Ryan said on taking on the new role 'I was really pleased to be asked, it was a great opportunity for me and a big advantage of this area is that we have some really strong communities here."

Classic cars

OXFORD The 8th Cowley Classic Car Show raised over £5,000 for charity.

Almost 300 cars were on display on Sunday at Court Place Farm, Marsh Lane in Marston.

The show is run by the Oxford Isis Rotary Club and most profits will go to SeeSaw – a local charity that provides grief support for young people in the county.

Nearly 300 vehicles were on display at the Cowley Classic Car Show

Half marathon

OXFORD The Oxford Hall Marathon is set for 2000 more runners this year with three weeks still left to sign up.

Last year 4401 took part in the 13 mile event and event organisers G02 say over 6,500 have signed up for 2015.

The event will take place on October 11 and the closing date for entries is September 14.

Police to remain as a 'presence' at Wallingford site

THE new Local Police Area (LPA) Cammander for the Wallingford area has emphasised that police will have a presence in the plans for the Wallingford Police Station which has been part of the sile go up for sale.

Jim O Ryan the new LPA Cammander for South Oxfordshire and the Vale said that there is a lot to be worked through but that Thames Valley Police are working on how best to use the site.

He told the Guardian 'The way people communicate with us is changing and I'm optimistic that we are going to see improvements in the way we manage our IT resources on the force.

Plans are still being developed about what to do with the Wallingford site and there's a lot to be worked through. We will have a police presence there but not in the same scale we had before."

The Oxfordshire Guardian previously reported that there discussions were taking place to move the police into Wallingford library or Town Hall.

Police put the surplus land around the station in Reading Road up for sale in February this year.

Initial bids for the sale were received in May this year and were being considered by the police last month.

The station is due to just be a front counter by March 2016.

When asked if the force could still potentially make use of the town hall or library for some police services A/Supt O Ryan said, "There's some potential in it but as imminent decisions are to be expected."

Contactor chosen for £20m tower block refurb

OXFORD City Council are set to appoint a contractor to tackle the £20m refurbishment of five high rise residential tower blocks with work set to begin early next year.

Hertfordshire based Willmott Dixon Energy Services Ltd have been proposed as the contractors after a rigorous tender process that included interviews with residents officers and expert external consultants.

The towers included in the refurbishment are Evenlode and Windrush tower in Blackbird Leys, Foresters in Wood Farm Hockmore in Cowley and Plowman in Northway.

Cllr Scott Seamons Board Member for Housing and Property Services said "This is a very important and much awaited project for the Council and residents in the blocks.

"We welcome the proposed appointment of Willmott Dixon they are world class developers."

The works include repairs in the communal structure, over cladding, replacing the windows upgrading the communal electrics and fire safety systems.

The proposed developers recently completed the Blackbird Leys Pools and Leisure centre in Pegasus Road.

The City Council are set to consult tenants and leaseholders on the proposed contractor with work on the blocks set to begin with the Blackbird Leys towers in early 2016.

The contractor will be formally appointed after a 30 day consultation of leaseholders are required by law.

Oxford graduate WWII hero's incredible story

A BRITISH soldier and Oxford graduate who was captured and died during World War Two has been given a final named resting place

Intelligence Corps Lance Corporal John Anthony Ronald Coulthard died on March 24 1945 while being marched across Germany in the coldest winter on record.

After being buried as an "unknown soldier" Lance Corporal Coulthard's grave was lost but has since been found and a new headstone bearing his name was put in place last month.

LCpl Coulthard's niece Barbara Willoughby Thomas told the Guardian. "Its just been a great experience

"One of the best things I've done in my life"

Mrs Willoughby Thomas 56 who lives in Sydney Australia was involved in the search for LCpl Coulthard which took around three years

The search was begun by a relative of LCpl Coulthard's fellow POW

Mrs Willoughby Thomas said her uncle studied modern languages at Oxford and specialised in German which played a vital role in his work with the Intelligence Corps

By Alexander Ballinger
alex@taylornewspapers.co.uk

LCpl Coulthard died of dysentery and tuberculosis in Kallenhof, Germany after being forced to bathe in the freezing waters of the Elbe River

Fellow captives buried the Lance Corporal in the nearby village of Quickborn and in 1947 his body was moved to the Commonwealth War Graves Commission cemetery in Becklingen North Germany

After first being captured by German forces in 1940 in France LCpl Coulthard was sent to Prisoner of War Camp Stalag XXA in Poland.

He was captive for five years and in that time made nine escape attempts

The most famous attempt saw him and fellow prisoner Sergeant Fred Foster reach the border of neutral Switzerland

After the pair travelled through Munich and Berlin gathering information LCpl Coulthard made it into Switzerland but returned to help his comrade who had been detained at the border

The duo were recapitured and sent back to Stalag XXA

The story of LCpl Coulthard's heroism went unfold until it was discovered in Sergeant Foster's papers

Sergeant Foster's son Steve Foster dedicated his time to finding the man who sacrificed his freedom for his dad and after years of painstaking research he found LCpl Coulthard's grave

Mr Foster then submitted a case to the MOD's Joint Casualty and Compassionate Centre (JCCC) who verify human remains of personnel killed in the world wards and who confirmed the grave was that of LCPl Coulthard

A service was held at the cemetery in Beckingen on July 30 and was attended by family members from both the Foster and Coulthard families

Family's heartbreak after Megan's death

•*From front page*

Upon starting Sixth Form at the age of 16 at Lord Williams School in Thame Megan decided to try coming off the medication and she was migraine free for a year before her migraines started coming back early this year

Megan went to her then 10 year old brother Jack Biddle on the morning of March 1 to tell him that she had taken some propranolol.

She then called the ambulance herself with Jack riding with her to the hospital.

Jack, now 17 said "She was a fun person to be around and had many friends who would all go to gigs with her Sometimes she went to four or five a month

"She was a great person and wanted the best for everyone and always put everyone before herself."

Megan's family believes that Megan suffered a silent migraine on the day she took the propranolol

Mrs Biddle said "If you have a reaction to propranolol it can cause memory loss We believe that Megan suffered this and took more tablets"

More than 500 people attended Megan's funeral at St Mary's Church in Thame on March 27 this year where balloons with personally written notes from each person were released into the sky

Megan's uncle Richard Goodall, of Helmdon in Northamptonshire said "She was the life and soul of everywhere she was She was always caring for others and yet never wanted to be the centre of attention

Richard Gray 28 of Stenter Rise in Witney had the Cash Forfeiture Order made against him at Oxford Magistrates Court on Monday for £5 099 57

Phillip Croxson from the Economic Crime Unit said Confiscation proceedings are still ongoing against both Richard Gray and Patrick Gray

Gray and his brother Patrick 37 of Radford Close in Oxford were seen visiting a field near Thrupp Lane in Littleworth where police officers later discovered a plastic chewing gum pot containing approximately 25 wraps of suspected Class A drugs in February

The same location was visited by the brothers on several occasions

On February 19 the Grays drove to a wooded area near Uffington Gorse in a red VW Golf where Patrick went into the woods

A search of the woods by police revealed a tupperware box containing a large amount of suspected Class A drugs

The two brothers were arrested at the location the following day and the drugs were seized

Evidence of drug dealing was found in the VW and the drugs were found to be crack cocaine and heroine with an estimated street value of £12 000

The two men were charged with conspiracy to supply Class A drugs on April 2 at Oxford Crown Court

Both men pleaded guilty

Richard Gray was sentenced to 54 months in prison and Patrick Gray five and a half years.

University buses granted national green award

OXFORD Brookes University has been given a national environmental award for its BROOKESbus fleet

The university received the Green Apple Environmental Award for Environmental Best Practice 2015 for the use of Gyrodrive in its buses

The transport solutions manager at the university Helen Russell Emmerson said "We are really proud that our BROOKESbuses have won such an important environmental award

"It shows that the work we've been doing and our partnership with Oxford Bus Company has really made an impact in Oxford."

The award was announced last week on August 12

Gyrodrive is an environmentally friendly technology which reduces CO2 emissions and was originally used in Formula One

The BROOKESbuses are the first time the technology has been fitted to buses in the UK

The university competed against 500 nominations in the Environmental Best Practice category and is set to be awarded with a trophy and a certificate in the Houses of Parliament on Monday 16 November

The awards are run by The Green Organisation who campaign to find the greenest companies councils and communities in the UK.

Oxford Brookes fitted the Gyrodrive systems to their buses in September 2014 and say they have reduced the BROOKESbus CO2 emissions by 17 per cent

The university will also have a paper published in The Green Book an international reference guide that aims to give examples of best environmental practice published by The Green Organisation

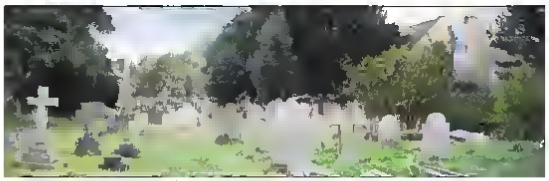
Concerns over 'prison-like' student hall plans



▪ *Designs of the accommodation overlooking Holywell Cemetery*

A CIVIC group has called proposed student accommodation plans next to a historic cemetery as similar to living in a 19th century prison

Oxford Civic Society have raised concerns over £40m plans submitted by The University of Oxford s Merton College and developer McLaren Property to build a housing complex off Manor Place in Oxford.

The plans include three pavilion buildings based around a central single level building

The society believe the buildings are not in sync with the colleges appearance and that the buildings would leave the Holywell Cemetery in St Cross Road in almost perpetual shadow

By Loughlan Campbell
loughlan@oxfordnewspapers.co.uk

Peter Thompson Chairman of the Civic Society said "We brought these issues up with the developers in a pre-application consultation in January and we were grateful for that however it doesn t seem that the developers have taken our concerns into account."

"If I was a student I certainly would not want to live in what is similar to A Wing of Oxford Castle when it was a prison in the 19th century"

Mr Thompson added "It s bizarre that as it s an application for student housing that the college have implied to us that they have no interest in using it to house their students despite that being the stance of the developers"

Paul Erskine- spokesperson for McLaren Property said "McLaren Property and Merton College have the obligation to maximise the potential of the site to meet an acknowledged urgent need for new student accommodation."

The planning application for the site was submitted in June this year with a decision due by the end of the year

The Oxfordshire Guardian was yet to recieve comment from Merton College as we went to press

Stalemate for Oxford greyhound track fate

Oxford Stadium in Sandy Lane

By Loughlan Campbell
loughlan@oxfordmailnewspapers.co.uk

THE likelihood of greyhound racing and speedway returning to Oxford Stadium is looking bleak after Oxford City Council leader Bob Price called the ongoing situation over the stadium pessimistic and not particularly good.

The city council and owners of the site Greyhound Racing Association (GRA) Acquisition Ltd are believed to be in a stalemate over the stadium's future after the council listed the building in Sandy Lane as an asset of community value this June.

Gallhard Homes previously submitted a planning application last year to build 220 homes on the site and the city council managed to protect the site from further redevelopment by making it a conservation area.

GRA Acquisitions Ltd contested this in a legal battle however Mr Justice Ouseley dismissed the appeal in January at the Royal Courts of Justice in London.

Cllr Price said: "We understand that there have been bidders that have expressed interest in the site and have submitted very good offers to re-open the stadium for greyhound racing and speedway.

"However the owners are not interested, which makes it a very pessimistic situation at the moment and it's not particularly good for the stadium's future."

Andrew Smith MP has championed efforts to restore the stadium to its original use, submitting a petition with Save Oxford Stadium Chairman Ian Sawyer to the city council this January that had around 3,000 signatures.

Mr Smith said: "The whole situation is very frustrating. The owners are adamant that they want to demolish the site for housing but it's designated for recreation.

"The community will campaign against the plans but it doesn't look as though we'll see a change any time soon."

Ian Sawyer says that he is in conversation with GRA Acquisitions Ltd about the site's future and that having the site listed as a community asset "was a massive boost".

He said: "We are in conversations with them to look at what they are trying to do but there's a current stalemate at the moment over what's going to be end result.

Andy Cooper owner of Karting Oxford, which is based in the stadium was optimistic of a return to the stadium's original use.

He said: "It doesn't make financial sense for the developers to continue to own it but not lease it. It would solve everyone's problems by just returning it to its original use.

The city council are set to produce a management plan for the stadium site to say how it will be maintained. It is expected to take a year to complete.

Oxfordshire students warned about live television streaming

STUDENTS in Oxfordshire need to stay up to date with rules on watching live television according to TV Licensing who enforce TV licenses.

According to research released by TV Licensing 50 per cent of students surveyed believed recording a live episode of Game of Thrones to watch later was 'catch up TV'.

The results of the survey, which were published on Tuesday, also said one in five students thought live streaming the Wimbledon final on iPlayer was 'catch up TV'.

Oxford Brookes student Sophie Ashton said: "If I'm watching TV on my laptop I wouldn't necessarily think to define it as 'live' or 'catch up'. I'll often be watching Game of Thrones, football or a film on Netflix, but sometimes I use YouTube and iPlayer too.

"Having all these definitions can sometimes make it confusing to understand when a license is needed especially when it all just 'TV' to me."

The survey was carried out among 1,000 students across the UK earlier this year by youth market research company YouthSight.

85 per cent of Oxfordshire students surveyed correctly said watching an episode of 'The Only Way is Essex' on ITV player would be an example of 'catch up TV'.

Martin Dyan from TV Licensing for the South East said: "We understand students are streaming, downloading, recording, using catch up services and watching live TV on devices.

"There are so many ways to watch the programmes you love, so to help undergraduates decide if they need to buy a license, we are encouraging them to read the FAQs at 'tvlicensing.co.uk/studentinfo'."

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames – has proven, rapidly as homeowners take advantage of their services.

Managing Director James Miller feels that it's all about service. "Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window in any type of frame, and with a new 10 year guarantee. But it's not just about saving people money although that obviously helps.

Many trade people have struggled a lot last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have. We make sure we turn up when we say we will, do the job the right way, require small leave their house as clean as it whistle. It's the get comments back from customers on how they really didn't expect that sort of service which in a way is very sad for the service industry as a whole."

Cloudy2Clear services Oxfordshire from their local depots and James is finding that his approach is a major factor in his success. "The truths that it's not just the person at satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated."

So, if your windows are steamed up, broken or damaged give James a call for a free quotation on 0800 61 21 118 and he'll be happy to help.

Concerns for 1200 home development

By Alexander Ballinger
alexg.ballinger@newspapers.co.uk

A PETITION opposing a 1200 home development in Woodstock has gathered support from across the country

Some residents have raised fears about the urbanisation of the green spaces near Blenheim Palace near the town

The Oxfordshire Guardian has also received documents revealing Cherwell District Council officers said there is planning policy objection to the designs

Woodstock resident Atalanta Wilcox, who launched the online petition said: "The scale of it is almost unimaginable

"Blenheim is a world heritage site. This proposed development would drastically transform the rural setting of the palace."

The petition was launched last Tuesday and has so far gathered 172 signatures

The development, known as Woodstock East, would also include a 120 unit care village, a new primary school and football stadium.

The proposals cross the border between Cherwell District Council and West Oxfordshire District Council and planning applications have been submitted to both authorities

Ms Wilcox who lives in Hill Rise added: "It would double the size of the town.

"It's not just local people signing the petition. It's people from all over the country

"We're supported by a wide range of people locally and across the UK. We've had signatures from Oxfordshire, Leeds, Sussex, Kent, Worcester and Devon."

Cherwell District Council received the application in December 2014 and is likely to be considered by council's planning committee on October 1

West Oxfordshire District Council's planning committee is likely to consider the application on September 22

However, an internal memo received by the Oxfordshire Guardian revealed planning officers believe there is a planning policy objection to the proposals

The memo sent from the head of strategic planning, said: "There is a planning policy objection to the proposed development as it does not accord with the adopted or emerging development strategies of the Local Plans of either Cherwell or West Oxfordshire."

• *A Save Woodstock campaign poster outside the gates of Blenheim Palace*

Woodstock town councillor Sharone Parnes said: "If it's going to be refused we don't think this will be the end of the application. We don't know if they will either appeal it or submit a duplicate application."

Daniel Haymes on behalf of applicants Pye Homes based in Kidlington and the Blenheim Estate said: "The proposals are being brought forward to deliver a long term solution to the housing issues facing many people slowly being priced out of Oxfordshire."

Advertorial

Save money with trusted companies such as G2S

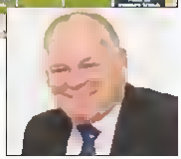
OWNER of G2S Group Alan Williams' This industry is full of liars and cheats.

Owner and co founder of G2S Group Ltd, Alan Williams speaks out against those tarnishing the reputation of the double glazing industry and the dodgy high pressure sales tactics that are often associated with it.

"I get so tired and angry at some of the things that I hear are happening in this industry; how some people are being treated I don't blame customers for being sceptical or nervous after some of the horror stories out there" said Alan There is no doubt that the double glazing industry carries some negative connotations and there's certainly no one out there that looks forward to pricing up new windows, doors or a conservatory

It all started with the door-to-door salesmen Lurking pestering and preying on the vulnerable When we started this company I insisted that we would never use door to door sales tactics we never have done and we never will.

We've all heard of the salesmen that visit, quote a stupidly high price and then 'do a special deal' and manage to cut that price in half' This cringe worthy tactic is supposed to make people believe that they are getting a special price just for them. When we asked Alan about deals that his company offer, he said, "The price we quote is the price you pay If we have a special offer running, then it will be advertised to everyone with no hidden surprises and we don't condone any of this 'buy one get one free' nonsense."



The best way to avoid getting stuck in the dark side of the industry is to always use a reputable company a company that has been recommended by a friend and has good reviews Be wary of special deals that are offered to you in person when getting a quote There should be no haggling You're not buying a knock off watch down the market you are making a major investment to improve your home This doesn't mean avoid deals altogether as there are plenty of money saving opportunities to be had with trusted companies such as G2S Just remember always get quotes from various companies and the moment this haggling malarkey comes into play show them the door

BRIDELICIOUS BOUTIQUE

As a child Heather Churchman was never able to pass a church wedding without stopping with her mum to catch a glimpse of the bride. 'Brides are special – a woman on her big day in the perfect dress gives out an inner glow' says Heather owner of Wallingford's Bridelicious Boutique. 'Every day I do this job the passion never fades.' Opened in 2011 the Bridelicious team have recently been nominated for the national Guides for Brides customer service award. This accolade is well earned thanks to the team's one-to-one free private consultations for brides to be. Heather who has been married for 26 years and is mum to three boys (so I'll never be mother of the bride!) says the shop is a female friendly affair (what happens in the shop stays in the shop!) Arrange a visit to discuss which of the Oxfordshire exclusive designer gowns – ranging from £500 to £2,000 and including Eternity Brides Art Couture Rembo Styling House of Nicholas and Impression – is perfect for you

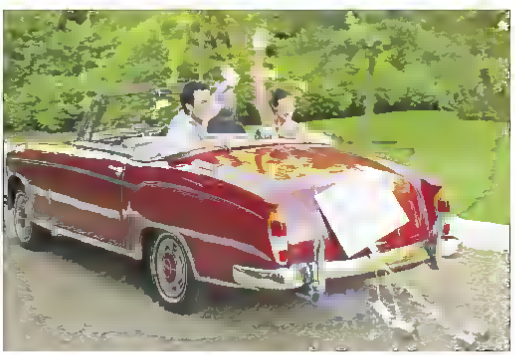
marriage care



Prepare for your marriage, not just the wedding day

They say that love is blind, but it makes much more sense to go into marriage with your eyes open. When did you last talk about you as a couple? Are you taking the 'happily ever after' part for granted and getting caught up in the excitement of the wedding day?

Marriage Care, a national charity with over 65 years of experience helping couples, knows that enduring relationships need nurturing and cultivating.

A Marriage Preparation workshop looks at building and maintaining happy relationships, avoiding the pitfalls and supporting you to build the best possible future together. During the day you are encouraged to consider things that will nurture a lifelong relationship and understand how relationships grow when important issues are dealt with in a constructive and loving way.

Some couples prefer a more individual approach called FOCCUS. A trained facilitator works with you as a couple to explore how your relationship works, its strengths and potential issues, in a supportive and confidential environment.

Most people plan for the big things in life and getting married is no different. Over 2,000 couples have done this in Oxford over the past 20 years, with overwhelmingly positive feedback, why not check it out for yourself?

Call us on 0800 389 3801 (01159 934 255 mobile rate), email oxford.centre@marriagecare.org or visit our website at www.marriagecare.org.uk to book a course.

MARRIAGE CARE

Happy ever after s of course the fa rytale end ng to any wedd ng. But sometimes you can be so caught up n the thrill of your big day itself that the focus can shift away from what s most important. Marriage Care is a national char ty specialising in adult couple relationships and they offer a one-day Marriage Preparation workshop held in Oxford. Groups of up to 12 couples are offered insights into build ng and mainta ning a strong relationship People from all different ages and backgrounds can benefit from this programme By going into marriage w th your eyes open Marriage Care helps couples prepare for successful long-term relationships and avoid various relationship pitfalls If you d prefer someth ng more tailor made for you as a couple Marriage Care offers a programme called FOCCUS starting off with an online questionnaire online followed by up to two 1½ hour sessions with a trained facilitator who will explore w th you how your relationship works its strengths and potential issues In a safe supportive and confidential environment More than 2 000 Oxfordsh re couples have signed up over the past 20 years with overwhelmingly positive feedback

Tadstock family festival

FAMILY friendly festival Tadstock returns to Oxfordshire for its 11th year next weekend

The three-day festival on the Oxfordshire Gloucestershire border launched in 2005

Kencot Hill Farm in the heart of the Cotswolds will host family workshops and kids activities among musical highlights from Friday August 28 to Sunday August 30

By James Richings
jamesr@tripleexposure.co.uk

"The artistic talents are certainly diverse and that s part of the recipe for Tadstock – pairing emerging young talent with seasoned performers to provide a learning and inspiring environment," organiser Tad Czapski told the Guardian

"There s a lot going on but we don't do wall-to wall distractions, as everyone needs a little time to smell the roses"

A total of 27 acts will perform over the three-day event, with 10 musicians and bands showing off their musical talents on the festival's main stage

Cheltenham based folk, blues and jazz group Spice & The Readies, rap trio Grand Wa Zoo, guitarist Julia Harris and nine piece ukulele assemble The Ukey D'ukes will all perform next weekend

They will then make way for alternative rock group Dry the River headlining the festival

And in case that doesn't hold the attention of younger spectators, hula hooping, break dancing and face painting sessions will be run

▪ *Organiser Tad Czapski*

Whilst Cheltenham based creative arts group Studio340 will help children develop musical skills with a number of music workshops

"A festival is a celebration and Tadstock in particular is about helping youngsters explore and develop their creative talents and showcase them live in a safe and loving environment," Tad said

"I hope people leave feeling relaxed and hopefully inspired by the great artistry and creativity of some of the young artists that Studio340 has nurtured

"Also I created this festival because it was a way to get close family and friends together so that they could spend time with each other"

Tickets cost from £10 to £55

▪ ***Alternative rock group Dry the River will be headlining Tadstock***

BBR launches 'Super 225' package for MX-5

A Mazda MX5 BBR

FOLLOWING the huge success of its Super 200 upgrade package for the 2005 onwards 2.0-litre Mazda MX 5 Mk3 3 5 and 3 75 models Mazda performance specialist BBR have unveiled the ultimate tuning conversion for the soon to be end-of life NC models

Called the BBR Super 225 the new upgrade is available as a complete package for a drive in drive out installation into the stock 2 0 litre Mazda MX 5 or as a retro fit into BBR Super 200 equipped cars

"Compared to our hugely successful 200-330bhp turbocharger conversions for the MX 5 normally aspirated tuning can seem relatively expensive" BBR director Neil Mckay

"Therefore target power figures aside, our primary objective with the Super 225 program was to retain as much of the original Mazda electronics system as possible."

The end results for the BBR Super 225 package are a 224 9 bhp at 7900 rpm and a stunning gain of 67 bhp over the stock 2 0 litre MX-5's 158 bhp output.

However the peak power figure tells only half the story of the BBR 225 s driving experience because over 150 bhp is available all the way from 4500 rpm to the 8000 rpm rev limiter highlighting the flexible nature of the conversion.

Careful development by BBR has ensured that the Super225 package meets the UK MOT emissions and will run on either 98 or 95 octane fuel.

Priced at £3 490 for a DIY option or £4,205 for a drive in, drive-out installation, the BBR Super 225 is available now

Owners of BBR Super 200 converted cars can upgrade to this new level of performance for just £2 495 fitted.

The complete BBR Super 225 upgrade for the 2 0l Mazda Mk3 3 5 and 3 75 MX 5 models consists of the following components

- BBR stainless steel 4 into 1 exhaust manifold
- BBR high performance intake and exhaust camshafts
- BBR 3 5 inch diameter branded tailpipes with stainless steel clamps
- BBR badges for front wings and bootlid
- Drive by wire controlled direct to head shaftless AT Power individual throttle bodies
- Bespoke AT Power / BBR curved inlet extensions
- CNC machined 80mm alloy inlet ram pipes
- MAP block assembly (enabling OEM Mazda MAP sensor installation)
- Ramair foam air filter (Optional BBR airbox and replacement OEM intake for trackday use)
- BBR Engine breather system

CITROËN

NEW CITROEN C4 CACTUS
FROM ONLY £165 - £219 PER MONTH ON PERSONAL LEASE

According to the critics different is great, because they voted the New Citroën C4 Cactus hatchback of the year. It is full of clever ideas like the protective side airbumps and instead of the usual cluttered dash there is a simple 7" touchscreen with built-in reversing camera! We think it looks pretty cool too but that is just what happens when you do things out of the ordinary.

Didcot get reality check after falling to double defeats

DIDCOT Town suffered back-to-back defeats this week after the side achieved maximum points from their first two games of the new season

Captain Luke Carnell was sent off for The Diddy as they lost 3-2 to Mangotsfield United on Tuesday night at Cossham Street

Ian Concannon and Jamie Heapy's side had looked to bounce back after a 2-0 defeat to Taunton Town on Saturday

The Mangos broke through the Didcot defence in the eighth minute with defender Marcus Mapstone firing the ball into the net to put the homeside in front.

A Sam Elkins screamer then brought Didcot back into the game just five minutes after going a goal down

The Mangos regained their lead shortly after the restart after Steve Davies prodded home past Leigh Bedwell.

However Didcot responded well once more and after the ball was lifted into the area Conor McDonagh headed past Joe Perry to level the scores for the second time

Didcot were then dealt a blow after Carnell was sent off for an apparent elbow with twenty minutes left of play

By Loughlan Campbell
loughlan@oxfordnewspapers.co.uk

Davies then scored his second of the night seven minutes later to put the game beyond the Diddy before Mangotsfield substitute Karim Rendall was sent off in the later stages

The result leaves Didcot in eighth position with four games played on six points with title contenders Taunton Town heading Wimborne Town on Tuesday night to top the table with twelve points

Concannon's men will journey to AFC Totton on Saturday in a fixture which looks to be a must win to keep pace with the early pacesetters

Totton have taken one point from their opening three games conceding eleven goals so Concannon's boys will be looking to get amongst the goals from the go

Didcot had entertained Taunton at the Loop Meadow Stadium on Saturday losing to goals from Josh Searle and Jordan Rogers scored in the third and 43rd minute respectively

Pepperell misses the cut in Wisconsin

FRILFORD Heath golfer Eddie Pepperell missed the halfway cut for the US PGA Championship at Whistling Straits, near Wisconsin on Friday

The 24 year-old shot a nine over par over par total of 153 for his two rounds adding a second round of 75 on the Thursday to a poor round of 78

The golfer ending up tying for 132nd at the tournament with a total of nine over par at the tournament which was eventually won by Australian Jason Day who scored twenty-over par

The sixteenth hole proved to be the lucky hole for the golfer's first round showing with a stunning eagle three at the par five-hole where he went under par for the first time

However his putting earlier that day had been an issue as he hit triple-bogey eight on the fourteenth hole which crippled his chances of making the cut

Pepperell's fellow Brit Justin Rose performed well getting to the final day with an overall score of fourteen under-par, finishing in fourth.

Pepperell had spent time in Oxfordshire ahead of the championship not playing since his momentous outing at The Open where he finished in 49th place

Smith rides to seventh in feisty Ceske Grand Prix

A DETERMINED race from Oxford's Bradley Smith saw him battle to a seventh place finish at the Grand Prix Ceske Republiky on Sunday

Once again Smith finished as the leading satellite reader aboard his Yamaha YZR-M1

He had started the weekend in fine form, as he finished in fifth place in the warm up and when the 22 lap race began he shot to third position after an impressive start

However after battling with Andrea Dovizioso for positioning he slipped back to sixth place by the end of the first lap

Dani Pedrosa then took over the 24-year old on lap seven and with half the way race gone he managed to hold on to his seventh position

The result saw Smith pocket another batch of points as he continues his position of fifth in the Moto GP world championship standings

Smith said after the race, "It's a good achievement to finish as the top satellite bike again and the result concludes a positive weekend for us in the Czech Republic

"All weekend the team has done a fantastic job and I really enjoyed fighting for the front row in qualifying yesterday

"I'm fifth and we will continue to fight as hard as possible to remain in that position so I am super excited about continuing this run.

GROSJEAN TARGETS POINTS AT 'WORLD-BEST' SPA RACE

LOTUS F1 driver Romain Grosjean says he will be doing 'every thing he can' to win points for his team at the Spa Francorchamps circuit in Belgium this weekend.

The Enstone-based team are targeting points on the famous circuit which sees F1 return from its summer break.

Grosjean finished the Hungarian Grand Prix in the points in seventh whilst his Venezuelan team mate, Pastor Maldonado finished the race in 14th.

The French driver is currently 10th in the Driver's Championship and called the circuit one of the best in Formula One.

He said: "Spa as we all know is one of the best tracks we go to. As a driver it is like a dream circuit with elevation change, quick corners, medium speed technical corners and some good straights for overtaking.

"It is a great track as there is so much to think about over a lap

By Loughlan Campbell
loughlan@oxfordnewspapers.co.uk

That's true if you're on a qualifying lap trying to maximise your speed at every point.

"It's the type of place where the differences between cars can be highlighted and sometimes you see a car go really well here."

Maldonado hailed the circuit as 'amazing' and that the corners are unlike anything a driver feels anywhere else in the world.

He said: "It's for sure one of the best circuits in the world and is unique in every way making it very special."

"Spa is the type of track where you get great memories when ever or whatever you are racing. But of course the ones that really stick in the mind are the victories.

Maldonado previously won at the circuit in the World Series at Renault in 2006 and won in the GP2 Series in 2008.

His highest qualification place at the circuit was sixth in 2012 with Williams F1 and Maldonado is looking to replicate that form this weekend.

Both drivers elected to spend their summer break with their respective families, taking the pressure after a patchy first half of the season that saw Lotus F1 struggle to pick up points despite the driver's best efforts.

Grosjean added: "I've been mainly relaxing with my family. It's great having the shutdown as it's a valuable time in the season to allow us all to recharge our batteries.

Maldonado added: "I spent as much time as possible with my family. It's good to not have any pressure for a couple of weeks so you can clear your head."

Anthony Herrin scored the first for the visitors before he set up Macauley Horbert for the second of the day a goals.

Chris Jarkson headed in a response for United on the hour mark before Stuart Griffith added the visitors third and Mark Ford finished United off in stoppage time.

Kidlington's solid victory

FOOTBALL Kidlington FC knocked three goals past Ascot at Yarnton Road on Tuesday on Monday night.

Tommy Castle kicked off the scoring for the home side with a low angled shot before Lewis Coyte barrelled one from distance for a second goal.

Kidlington captain Tommy Franklin rounded off the home side's goals not long in the second half before Joe Jara scored a consolation for Ascot.

Saints' to take on the Thunder

AMERICAN FOOTBALL Oxford Saints will face off against Sussex Thunder in the first round of the play-off this Sunday.

The match is regarded one of the biggest games in the club's history with the Saints losing a pre season friendly against the Brighton based side earlier this year.

The match kicks off at 2.30pm at Brighton Rugby Football Club in Waterhall Road, Brighton.

Hornets too good for the Blues in rout

OXFORD RL were swiped aside by Rochdale Hornets in a crushing 54-16 defeat at Pennine Way in Hemel Hempstead on Saturday.

The game had been delayed by thirty minutes to allow the visitors get to the ground but that didn't deter their game as Brad Hargreaves got the ball rolling for them.

Oxford rallied through Lee Land scoring his first try for the club as both team's conversions were good.

The Hornets then struck through Jordan Case and Mike Ratu going over with Paul Crook scoring one of the conversions.

Before half time the visitors added another double through Davo Hult and Danny Yates once again, only one conversion was added.

Dalo Bloomfield went over for Rochdale straight after the restart with Crook adding the extras.

Alex McClurg was next on the team's score sheet as he went over with Crook kicking true before Oxford responded through a Danny Thomas try and Kitson scored the conversion.

James Dandy then went over for the visitors with Matty Fazzard joining him as Crook kicked both conversions.

Bloomfield scored his second of the game shortly afterwards with Crook kicking true before Oxford responded with their third try as Luke Gardiner touched down and Kitson added the extras for the Blues for the last time.

Oxford are now twelfth in the table with the Hornets rising to fifth in the table.

Bubb's penalty rescues City a point

A LATE penalty from Oxford City star Bradley Bubb secured a point for his side in the Vanarama National League South in a 2-2 draw with Basingstoke Town at Marsh Lane on Tuesday.

Town's Liam Eyner-Marum struck the post with only sixty seconds on the clock before Basingstoke capitalised on their sustained pressure with Enver Marum's cross headed home by Lloyd Mackin.

City's Alejandro Adrian Santiago expertly worked himself into a great position in the 32nd minute and slotted home from close range.

Basingstoke put themselves in front with just under twenty five minutes to go as Mackin won a free kick on the left and Louie Soares stepped up, firing it past the near post.

Oxford were given a chance to get back into the game on 72 minutes after Kynan Isaac was fouled in the area and Bubb stepped up to slam the ball past Aaron Howe which sealed the point for City.

Barry's boys hit nine past Bashley

WANTAGE Town produced a performance to remember in a 9-0 thrashing over Bashley FC on Tuesday.

The win was Daniel Barry's side's first win of the season and went ahead after only three minutes in after Adam Bruce was brought down in the area and Ben Whitehead slotted home.

Nick Thorne added a second with just five minutes in the clock as Wantage ran rampant in the Bashley half.

Whitehead then grabbed his second of the game, robbing a Bashley defender before firing a shot across the keeper with 35 minutes played.

Bruce was then picked out in the box from a Thorne cross and the sides went in at half time at Alfredian Park with the score 4-0.

Whitehead collected his hat trick shortly after the restart with a good finish before Bruce added his second of the game on the hour mark.

Freds captain Stuart Cattell then added his first of the season after silkily finishing off a Sam Barber corner to make it seven.

The Bashley keeper was then brought off after Whitehead was brought down just outside the box in 75 minutes and Whitehead then added his fourth of the game with a free kick.

Bruce then wrapped up the goals for the Freds with a coolly taken finish with eight minutes to go cap off a memorable evening.

The win means Daniel Barry's side are now in fifteenth position in the Southern League Division One South & West with the side set to face Sherwood United at Alfredian Park on Saturday.

Appleton backs Roofe to continue scoring form

OXFORD United manager Michael Appleton has claimed that Kemar Roofe has got 'absolutely more in his locker' after the attacking midfielder snatched his third goal for the season in Tuesday night's 3-1 win over Notts County.

Roofe joined United for an undisclosed fee earlier this summer after spending time on loan at the Oxford club last season.

The signing is regarded as a coup for Appleton's side with a highlight for the 22-year old coming in the League Cup triumph over Brentford last week when he lobbed the keeper from just outside the centre circle.

Appleton said of Roofe: "Roofe did better tonight but I can assure you he's got much more in his locker."

He went on to say that the partnership of Danny Hylton and Roofe is something that will only blossom over the course of the season.

Appleton added: "They worked really well together at the end of last season and the two of them had a big impact on the Notts game. They've got the shirts at the minute and I'm excited to see what they can do."

"Who knows how many goals they can score? As long as they keep chipping the ball into the back of the net then there's no stopping them."

O'DOWDA LIFTS UNITED IN SUBLIME 3-1 VICTORY

Callum O'Dowda celebrates scoring United's equaliser (pic by Steve Daniels)

A STUNNING first-half substitution from manager Michael Appleton and a wondrous performance from Lemar Roofe led Oxford United to their first win of the season in a 3-1 victory over Notts County.

By Loughlan Campbell
loughlan.taylornewspapers.co.uk

County went ahead in the first half through a Thierry Audel header before Patrick Hoban was substituted straight afterwards for Callum O'Dowda to come on and put United back into the game.

The Irishman then turned provider as he played in Roofe to blast United in front shortly after the restart before Danny Hylton fired home from close range for United's third as they maintained their unbeaten start to the season.

Thierry Audel headed County in front unmarked from a free-kick in on 10 minutes against the run of play and the goal spurred County on.

Hoban was then brought off for O'Dowda which completely changed the game as United immediately livened up with the midfield passing flowing well.

On 36 minutes the ball fell to O'Dowda who took his time before powering a shot past Carroll.

The second half saw Oxford dominant on the ball and after 49 minutes O'Dowda's trickery in the area allowed him to play a ball in which Roofe snatched from Scot Bennett's feet to fire home to put the U's in front.

A crazy run from Hylton saw him win a penalty only for Alex MacDonald to parry his shot into the arms of Carroll on 57 minutes.

Roofe was given the chance to finish County off with ten minutes to go but his shot was too high.

Two minutes later Hylton stepped up to blast a third past Carroll after his initial effort was saved.

Hylton was subbed off to fans' cheers for Ryan Taylor and new signing John Lundstram was able to make his debut as he came on for Roofe.

Celebrating Excellence

Our students are highly successful and go on to do some extraordinary things! We are extremely proud of all our students for the challenges they overcome whilst studying with us and the ambitions they continue to pursue when they leave.

Many of our students progress onto traditional avenues such as apprenticeships, university and employment, with some exploring some more unusual progression routes. In this year's leavers there are a variety of exciting success stories. Dan Gnsman is a Level 3 Public Services student who has recently passed the aptitude test to commission into the RAF as an Intelligence officer. Max Hilleard, a Level 3 Sports student, has secured a place on a volunteering scheme in Africa and Tom Legge, a Level 3 Media student, is going onto study at the Backstage Academy in Wakefield after working on the production of Reading Festival.

These students only show a small amount of the College's success stories with so many other exciting and wonderful achievements happening every year. To find out more about our students and their accomplishments visit **www.abingdon-witney.ac.uk.**

Blenheim Palace

Our end of year celebration has taken place at Blenheim Palace for the last three years. It is a fitting end to the year and a marvelous venue in which to celebrate the success of our students.

Apprenticeships

Do you want to start a great career and pick up recognised qualifications at the same time? Apprentices do real jobs for real employers, meaning you can continue your education, gain essential workplace experience and earn a wage too! The College's apprenticeship success rate for 16-18 year olds is also the highest in the country, with the College placed 1st out of 218 colleges. So there really is no better institution to complete your training with!

On the job you earn a wage from day one and gain experience in your chosen profession. At the same time you will continue your training and education, gaining recognised industry qualifications such as NVQs (QCF) and technical certificates such as BTECs or diplomas.

Apprenticeships are a great first step on the career ladder but the benefits to you don't stop there. You will have real work experience, qualifications and employer references that will set you above the rest when applying for jobs in the future. At the end of your apprenticeship you could progress onto a Higher Apprenticeship (Level 4/5), or even go on into higher education at college or university.

We offer a wide range of Apprenticeships including Accounting, Business Administration, Construction, Engineering, Hairdressing, Horticulture and Social Media for Business. For a full listing visit **www.abingdon-witney.ac.uk/apprenticeships/**

A Levels are not the only route to Higher Education

Have you just finished your exams? Still undecided or unsure of what your next steps will be?

At Abingdon and Witney College we understand that deciding how to reach your goals isn't easy, and with so many options available it can be difficult to know which path to take. Our full-time courses are designed to get you ready for work and set for success. We would encourage all undecided students to call or drop in to get advice if they are still unsure about their options or their future. If you think that A Levels are not right for you, you could consider full-time vocational courses that are the equivalent to 3 A Levels and still get you into University.

We support our students in their learning and make sure nothing stands in their way. We also hope that being at the College will be fun and with our new extensive programme of enrichment opportunities, we've got something to suit everyone!

If you're unsure of how best to use your talents, which courses are available to you or if you want to talk to someone about how best to get to where you want to be, get in touch!

First Choice for Facilities

The College is currently undergoing an exciting £23m refurbishment to create the highest standard of facilities and best possible learning environments for its students. The College is in the top 10% of colleges in England and wants industry standard facilities that reflect this. It's a great time to join a college that's really going places!

At the Abingdon campus, work is complete on the main building that houses reception, Student Services, the Library and lecture theatre. The construction of the new McIntyre Abingdon Partnership (MAP) College is well underway and the refurbishment of the engineering block is also nearing completion. The College was also awarded £4m from the Oxfordshire Growth Deal through the Oxfordshire Local Enterprise Partnership. The funding will result in the building of the new Advanced Engineering and Technology Centre.

At the Witney campus, the old Courthouse on Welch Way has been replaced with a brand new three storey building that will house the new reception area, provision for Pathway One students, classrooms, IT suites and staff classrooms. A new Construction Centre is due for completion in September 2015, which coincides with the launch of a new construction apprenticeship.
